

The Oklahoma Center for Nursing Leadership Summit
Tuesday, October 1, 2024
10a-3p

The Summit is a forum for open discussion and collaboration among nursing partners, to discuss the establishment of the Oklahoma Center for Nursing and address the following objectives:

1. Define the purpose for establishment of The Oklahoma Center for Nursing;
2. Explore the structure of established Centers for Nursing in other states;
3. Identify organizations within Oklahoma who are currently addressing nursing issues, educational clinical partnerships, programs to support new graduates from nursing programs, scholarships and tuition reimbursement, internships, well-being, and other resources for current nurses and employers, and persons exploring nursing careers.
4. Identify and rank the top five priorities for the Oklahoma Center for Nursing.
